Bingo Card Rules/Recommendations

1. Complete a Row, Column, or Diagonal: To achieve a bingo, complete any five prompts in a single row, column, or diagonal on the card.
2. Minimum Effort Per Prompt: For each square, spend at least 15 minutes on the prompt. This gives enough time for exploration without feeling rushed.
3. Mixed Media Requirement: Each piece should use at least two different media (e.g., watercolor and ink, acrylic and collage, etc.) to keep the “mixed media” theme going. Feel free to get creative with textures, found objects, and layers.
4. Document Your Progress: Snap a photo of each completed prompt to share your journey. Posting to social media with a unique hashtag, like #AbstractArtBingo, makes it fun to follow along and see what others are creating on Instagram - or come by the Facebook group and share there -
<https://www.facebook.com/groups/deniselovecreativecommunity>.
5. Free Choice Option: You may substitute any one square with your own idea, inspired by the prompts around it. This helps if there's a prompt you're not feeling.
6. For a Full Card: Complete every prompt on the card if you're up for the ultimate challenge! Those who complete the whole card could share a photo or collection of their completed works.
